

GOD'S PLAN FOR *Sharing*

CELEBRATE

EVERY CHURCH HARVESTING AND
CELEBRATING EVERY SALVATION RESULT

If we each do our part in praying for our community, engaging our community, and connecting with our community, then there will be a harvest in South Carolina.

Celebrate the harvest by accompanying new believers in their public profession of Christ through baptism. The salvations should be joyfully celebrated by the congregation, family and friends. There is rejoicing in heaven every time someone accepts Christ into their life and there should be rejoicing on earth too. Do something to show the new believer how excited you are about the decision he or she has made. This could be a celebration with close friends or an invitation to eat dinner at your home.

- Accompany new believers in their public profession of Christ through baptism
- Invite family and friends of new believers to the baptism service
- Plan a fellowship to joyfully celebrate their baptism
